

Barovier&Toso

VENEZIA 1295

---

# Company Profile

**Barovier&Toso** is the most ancient glass company in the world, **established in 1295** in **Murano** (Venice, Italy) where it is still based, devoted to maintain and innovate the glass tradition.

The **company mission** is to create high-end decorative lighting solutions – both classic and contemporary – that are timeless masterpieces (lighting fixtures and decorative objects), unique for design, exquisite manufacture, technology fused with creativity, to inspire true emotions, positive feelings and special atmosphere.

**Barovier&Toso** co-operates with top interior designers and selected retailers offering both lighting fixtures from the catalogues, perfect for any home décor, as well as customized solutions for any residential or public project.
